

This medical practice is well prepared for COVID-19.

We are taking action to protect our patients and our team from exposure to COVID-19. We have developed and practiced detailed processes to reduce the risk of spreading the virus.

If you are not feeling well or if you have come into contact with a confirmed COVID-19 positive case,

please call our office to reschedule your appointment; you will not be charged a missed visit fee.

It's very important for residents in our communities to know what to do if they think they are experiencing COVID-19 symptoms.

Steps include:

- Limit your interactions with others as much as possible. For example, don't go into work if you're not feeling well.
- The best precautions to take to reduce the risk of getting sick include frequent hand washing for at least 20 seconds with soap and warm water, and refraining from touching your eyes, nose and mouth.
- Visit the CDC Website for more information: www.cdc.gov/coronavirus/2019-ncov/index.html

Please be prepared to be screened for COVID-19 symptoms upon arrival into any of our office locations. Our employees are screened daily as well for your safety.

Please review our check-in procedures:

- 1) Masks are required.**
- 2) Check-in at the front desk. You may be asked to wait in your car until your appointment.**
- 3) Call to inquire about restrictions on who may accompany you during your appointment.**
